Dear Sirs

RE: LONDON WINE FAIR / PRESENTATION OF OUR BURGUNDY WINES

Our company, ideally situated in the heart of Burgundy region, has been exporting wines throughout Europe for over ten years. Moreover, we have been the suppliers of four major French supermarket chains since 2007.

Our company is very concerned about environmental issues and in order to reduce carbon emissions, most of our products are transported by rail.

We pride ourselves on the excellent quality of our products and stress that several of our wines have received prizes over the past three years.

We would be very pleased if you could come to the next Wine Fair in London (June 15-17 2021) where our experts in wine-tasting will introduce you to our wide range of products.

Please find enclosed an invitation.

Please feel free to ask for any further details.

We look forward to hearing from you soon and meeting you at the Wine Fair.

Yours faithfully,

Signature
